AGENDA ITEM # 2

TO: Bicycle/Pedestrian Advisory Commission

FROM: Cedric Novenario, Staff Liaison

SUBJECT: League of American Bicyclists Feedback

RECOMMENDATION:

Receive information regarding feedback from the League of American Bicyclists application

BACKGROUND

The City submitted an application to the League of American Bicyclists in the third quarter of 2014 to be recognized as a Bicycle Friendly Community. We were recognized as Bronze Level Community in December 2014. The League provided feedback on how to further improve the cycling experience in Los Altos.

DISCUSSION

Commissioner Ambiel will provide an oral report from an evaluator's perspective on the merits of our application, what can be improved and how to improve for the next round of applications.
